Pic Kids Outsiders Collage

Our class will work in partners to use the Pic Kids App to create a virtual poster.

Your project needs to illustrate knowledge and understanding of the following skills as they pertain to your assigned character and the novel.

- Identify two different universal themes of the novel
- Identify two to three symbols that are repeated throughout the book
- Cite three pieces of dialogue that represent your assigned character
- Identify if your character is dynamic or static, and identify a character who represents the opposite characteristic
- Explain how setting contributes to the conflict or theme of the book

Use the following tools available on the iPad to show your knowledge of the above skills. You can use a tool more than once; however, you must use each tool at least one time.

- Video
- Image/GIF (you are not allowed to use photographs of The Outsiders movie)
- Text
- Photograph

You will have Monday, Tuesday, and Wednesday to complete your Pic Kids collage. Thursday you will have half the class period to practice your presentation, and you will present your collage either Thursday or Friday.
