A Meeting of the Minds

AP European History

Mr. Stuewe/Mr. Besler

Please type the answers to the following prompts making a packet with a coversheet including an image of your person.

I. Personal Background (min. 1 page)
   a. In your own words describe the background of your scientist/philosopher.
   b. Briefly describe the overall significance of your scientist/philosopher.

II. Historical Context (min. 1 page)
   a. What was happening in the world politically, socially, and economically?
   b. What was your relationship with other scientists/philosophers of your day?

III. Your Theories or Inventions (min. 2 pages)
   a. Describe at least three of your most significant theories or inventions.
   b. Explain the impact they had on society during your time and later.
   c. Write an I AM poem.

IV. Annotated Bibliography (min. 2 pages—primary and secondary)
   a. Use Chicago Manual of Style format.
   b. Limit annotations to only two sentences.

During the “Meeting of the Minds” class activity you will (without notes) briefly introduce yourself and describe your most significant contributions and their impact on society concluding with the reading of your “I AM” poem. You will be sitting in panels of five or six and after everyone has introduced themselves on the panel you will begin to question/debate each other with the rest of the class watching. Your packet combined with your performance will be worth a maximum 100 points.
